EDUCATIONAL PROGRAM

8:00-8:30am *Breakfast and Networking*

8:30-9:30am **Session One: Mark Shoemaker, AIA, Principal
Pelli Clarke Pelli Architects**

Mark will address trends in architectural design and planning, and showcase best practices and cutting edge design from the perspective of an architectural icon.

9:30-10:30 am **Session Two: Christopher Paladino, President
New Brunswick Development Corporation (DEVCO)**

Chris will discuss urban real estate development and public and private investment projects, and the critical role of planning appropriately for essential infrastructure, including parking.

10:30-10:45pm *Refreshment Break*

10:45-12:00pm **Session Three: Timothy Haahs, P.E., AIA, President
Timothy Haahs & Associates, Inc.**

Parking can make or break a project - aesthetically, functionally, and certainly financially. Tim will discuss the successful integration of parking into the process, from planning through design, and beyond.

12:00-1:00pm *Lunch & Networking*
